**Special Finishes**

Designed to impress from start to finish.

# The finishing touch to any commercial restroom

Every element in the creative journey is thoughtfully considered as your vision becomes a reality. From the space to the materials, colors and textures, each piece can spark a moment of inspiration.

That's why we've created a range of special finishes for every environment, including graphite, brushed nickel, brushed stainless and polished brass, in addition to our standard polished chrome. Let Sloan put the finishing touch on your commercial restroom design.

**Sloan's proprietary Physical Vapor Deposition (PVD)** special finish process enhances our products' resistance to chemicals and abrasion by bonding the finish at the molecular level. This innovative technology is an essential solution for curved and angled products that are difficult to coat. When compared to powder coating or immersion processes that are typically used, the durability of PVD ensures a long-lasting finish that will stand up to commercial use.

Shown: **Royal® 111** Manual Flushometer with **ST-2459**  
Water Closet, **SloanStone® ELA-81000** Arrowhead Sink  
with **EAF-350** Faucet.

Shown opposite, left: **Designer Series™ DSOF-83000**  
Open Front Sink with **EAF-250** Faucet and **ESD-2000**  
Soap-Dispenser, **SOLIS® 8186** Sensor Flushometer with  
**SU-7409** Designer Urinal.

Shown opposite, right: **SOLIS 8186** Sensor Flushometer  
with **SU-7409** Designer Urinal.

# Graphite

Lead by design with our new graphite.

Set the tone for modern sophistication. The graphite finish can create a unique, high-contrast palette that's sure to leave an impression.

Sloan is the only commercial manufacturer offering a graphite PVD finish.

# Brushed Nickel

Enhance your environment  
with brushed nickel.

Brushed nickel finish brings an element of comfort to any commercial restroom and accommodates a variety of design aesthetics. Because it doesn't show fingerprints or water marks, brushed nickel is perfect for any high-traffic environment.

Shown: **SloanStone® ELGR-82000** Gradient Sink with **EAJ-250** Faucet and **ESD-2000** Soap Dispenser, **G2 8186** Sensor Flushometer with **SU-7409** Designer Urinal, **Sloan Optima Air™** Hand Dryer.

Opposite, top: **TRF 8196** Sensor Flushometer with **SU-7419** Designer Urinal, **Sloan Optima Air** Hand Dryer.

Opposite, middle: **EFX-250** Faucet and **ESD-500** Soap Dispenser and **Designer Series™ DSG-82000** Gradient Sink.

Opposite, bottom: **Royal® 111** Manual Flushometer with **ST-2459** Wall Hung Water Closet.

Opposite top: **TRF 8196** Flushometer with **SU-7419** Designer Urinal.

Opposite, bottom, right: **SloanStone ELA-81000** Arrowhead Sink with **EFX-250** Faucet and **ESD-500** Soap Dispenser.

Opposite bottom, left: **Royal 111** Flushometer with **ST-2459** Wall Hung Water Closet.

# Brushed Stainless

# Refine your design with brushed stainless.

Create a classic restroom experience that won't tarnish over time. The brushed stainless finish hides most fingerprints and water marks, keeping your restroom clean no matter the environment.

Shown above, left: **Designer Series™ DSG-82000** Gradient Sink with **EAF-250** Faucet and **ESD-2000** Soap Dispenser.

Shown above, right: **Designer Series DSOF-82000** Open Front Sink with **EFX-250** Faucet and **ESD-500** Soap Dispenser.

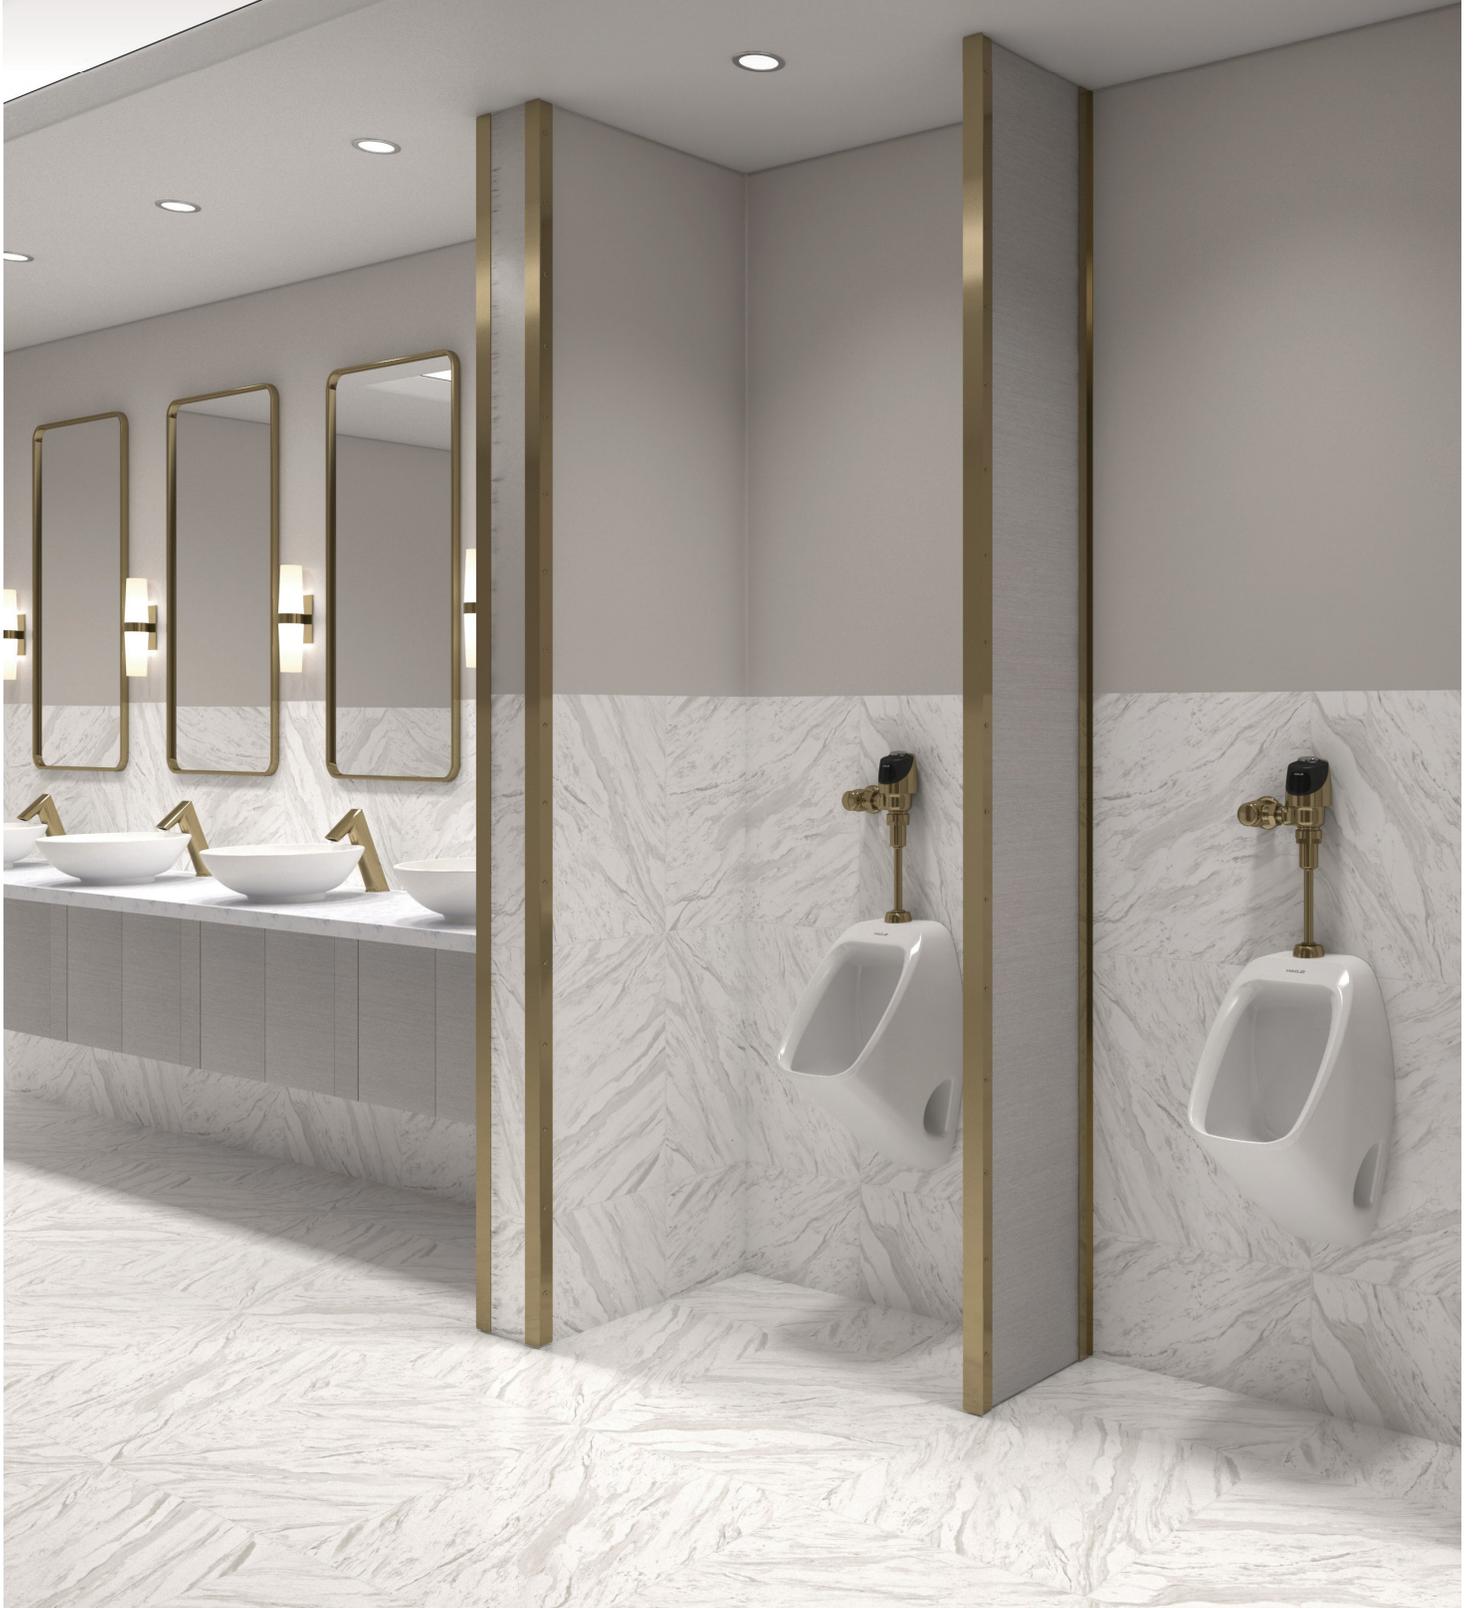

Shown right: **Designer Series DSVR-84000** Vessel Sink with **BASYS® EFX-100** Faucet, **G2 8186** Sensor Flushometer with **SU-7009** Small Urinal.

Make a bold statement with polished brass.

Create the air of high-end style and transform your space with polished brass. This finish is luxurious, warm and will catch the eye of everyone who walks in the room. With a touch of gold, the polished brass finish will elevate the design in any environment.

# Polished Brass

A bright finish to create a sleek, clean commercial restroom, our standard finish is easy to maintain and is a practical solution to suit all projects.

Shown: **Designer Series™ DSG-88000** Gradient Sink with **Combination ESD-1501** (EAF-150 Faucet and ESD-1500 Soap Dispenser), **Royal® 186** Flushometer with **SU-7009** Urinal, **Sloan® XLERATOR®** Hand Dryer.

Opposite top: **Designer Series DSG-82000** Gradient Sink with **Combination ESD-801** (EBF-85 Faucet and ESD-800 Soap Dispenser).

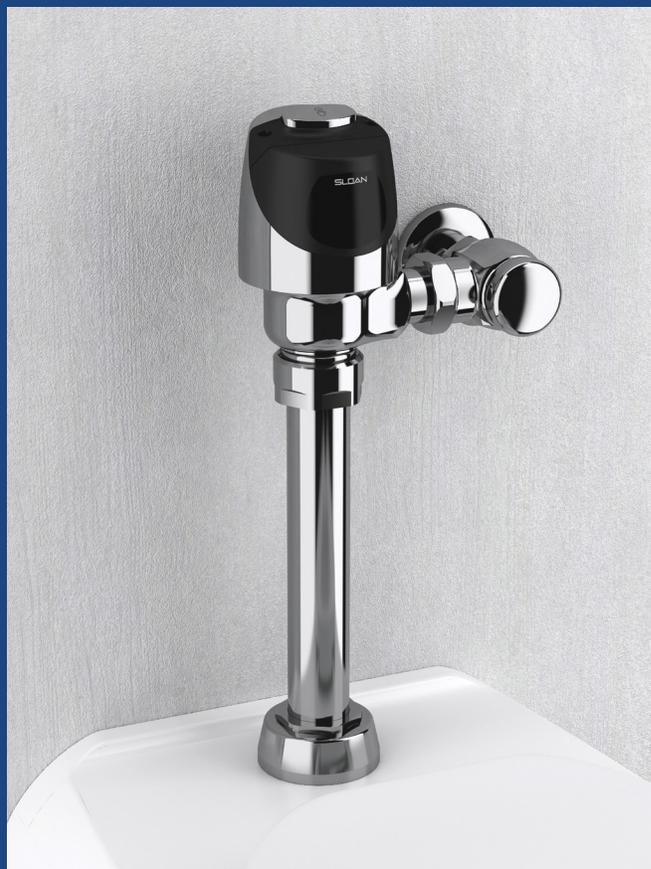

Opposite, middle: **Designer Series DSWD-82000** Weir Deck Sink with **Combination ESD-701** (EAF-750 Faucet and ESD-700 Soap Dispenser).

Opposite, bottom: **G2 8111** Sensor Flushometer with **ST-2459** Wall Hung Water Closet.
